

The ultimate combination of badass, retro style and modern technology.

CA FÉ MOTO T GO!

CAFÉ MOTO GO!

Where will you

CAFÉ MOTO GO! STEP-OVER / MATTE BLACK

Highly stylized from top to bottom, this café racer-inspired ride takes e-bikes to the next level.

The limited edition **Café Moto Go!** is powered by a Bosch Performance CX motor and can reach top assisted speeds of 25 kph and hydraulic disc brakes capable of handling all that power. Additionally, the drivetrain uses the Gates Carbon Belt Drive system that is nearly maintenance free, exceptionally smooth and virtually silent while shifting shifting seamlessly through the continuously variable Enviolo rear hub.

Electra

No detail spared.

The Café Moto Go! features a hydroform tank, in-tube battery and Brooks premium leather saddle, tool bag and Cambium grips. Altogether, the Electra Café Moto Go! stands head and shoulders above traditional e-bikes with impressive specs to stay the least. But take a step back, take a good look and be truly amazed.
